# Johan Larsson

## CV

March 21, 2017

### 1 Work experience

#### 1.1 Research

- 2015 – now**     **Research assistant**, SMIL  
*SensoriMotor Integration Lund (SMIL)* is a research project in which we investigate if individuals with persistent neck pain might benefit from a supervised and structured exercise program.
- 2014 – 2015**     **Research assistant**, Department of Family Medicine, Lund University  
I was a research assistant during the summer of 2014 and, backed by a scholarship from Lund University, did research on vestibular asymmetry in patients with wrist fractures.

#### 1.2 Clinical

- 2014 – now**     **Physical therapist**, Vårdcentralen Södra Sandby Region Skåne  
Clinical work at a primary care facility in southern Sweden. Beyond tending to patients, my responsibilities include managing the web-booking service.

### 1.3 Teaching

- 2016 – now     **Teaching assistant**, Lund University  
I teach anatomy, palpation, and examination skills to students at the medical school of Lund University.

### 1.4 Reviewer

- Journal of Clinical Interventions in Aging

## 2 Education

### 2.1 University

- 2015 – 2017     **Master's degree in medical science with a major in physical therapy**,  
Lund University  
In my masters thesis I am developing a specialized gym for treating patients with persistent neck pain.
- 2014 – 2015     **Summer research course**, Lund University  
I worked as a research assistant at a specialized clinic for pain rehabilitation in Lund, which I presented as a poster on EFIC in 2015 and, later, IASP in 2016.
- 2013 – 2014     **Summer research scholarship**, Lund University  
As a part of a stipend, I undertook a course in basic academic knowledge.
- 2011 – 2014     **Bachelor's degree in physical therapy**  
My bachelor's thesis entailed interviewing Japanese physical therapists about their professional role and use of technology.

### 2.2 Clinical

- Orthopedic Manual Therapy, level 1 & 2
- Sports medicine

- Basic Body Awareness Therapy, A-level
- Trigger point therapy

### 2.3 Miscellaneous

- Course in conducting systematic reviews provided by HTA-o.

## 3 Publications

### 3.1 Peer-reviewed articles

1. Westergren H, Larsson J, Freeman M, Carlsson A, Jöud A, Malmström E-M. Sex-based differences in pain distribution in a cohort of patients with persistent post-traumatic neck pain. *Disability and Rehabilitation*. 2017 Jan; doi: [10.1080/09638288.2017.1280543](https://doi.org/10.1080/09638288.2017.1280543)
2. Larsson J, Miller M, Ekvall Hansson E. Vestibular asymmetry increases double support time variability in a counter-balanced study on elderly fallers. *Gait & Posture*. 2016 Mar;45:31–4. doi: [10.1016/j.gaitpost.2015.12.023](https://doi.org/10.1016/j.gaitpost.2015.12.023)
3. Larsson J, Ekvall Hansson E, Miller M. Increased double support variability in elderly female fallers with vestibular asymmetry. *Gait Posture*. 2015 Mar;41(3):820–4. doi: [10.1016/j.gaitpost.2015.02.019](https://doi.org/10.1016/j.gaitpost.2015.02.019)

### 3.2 Conference papers

4. Johan Larsson, Hans Westergren, Eva-Maj Malmström. Pain distribution after neck traumas: An analysis of 745 consecutive patients with persistent neck pain. In: *IASP 2016: The World Congress on Pain*. Yokohama, Japan; 2016.
5. Westergren H, Larsson J, Malmström E-M. Pain distribution in 745 consecutive patients with persistent pain after whiplash trauma. In: *EFIC 2015: Translating evidence into practice*. Vienna, Austria; 2015.
6. Johan Larsson, Hans Westergren, Birgitta Häggman-Henrikson, Eva-Maj Malmström. SensoriMotor Integration Lund - the SMIL gym: A supervised exercise program for patients with persistent neck pain. In: *Svenskt Smärtforum 2016*. Jönköping, Sweden; 2016.

### **3.3 Communication**

7. Larsson J. A letter to the editor regarding “Serratus anterior or pectoralis minor: Which muscle has the upperhand during protraction exercises?” *Manual Therapy*. 2016 Aug;24:e1. doi: [10.1016/j.math.2016.04.002](https://doi.org/10.1016/j.math.2016.04.002)

## **4 Computer skills**

### **4.1 Statistical software and languages**

- R
- SPSS
- C++ (at a low level)

### **4.2 Text production**

- $\LaTeX$
- Adobe Indesign
- The Microsoft Office Suite

### **4.3 Graphical production**

- Adobe Illustrator

## **5 Software packages**

### **5.1 R**

- qualpalr
- eulerr
